Notes

Reuben Clayton was born in Harrison County, Virginia (now West Virginia). It is not known exactly when he arrived in Shelby County, but he is listed as one of the earliest settlers in the Shelby County History book. One of his sons (William) was born in Miami County, Ohio in 1821 and one son (David) is listed as being born in Clark County in 1830 or 1831 according to David's Civil War pension records. There is no record of the Claytons in 1830 census of Shelby County, but in 1840 census, Reuben is listed with the following:

2 boys under the age of 5
1 boy between 5 and 10
1 boy between 10 and 15
2 boys between 15 and 20
Reuben (age 42)
1 girl between 10 and 15

Notes

William Clayton was born near Troy, Miami County, Ohio in 1821 , and he and the lady whom he wedded were residents of Jackson township, Shelby County, at the time of their marriage. There, William became the owner of a good farm upon which he and his wife spent the greater part of their lives. She died January 17, 1864, at the age of forty four years and he passed away April 29, 1876, at the age of fifty five years. They were devoted members of the Methodist Episcopal Church, and in his political views Mr. Clayton was a Republican. He made his own way in the world, prospering as the years passed as the outcome of his earnest labor and well directed efforts, and at the time of his death he was the owner of about four hundred acres of land. In 1876 the house was destroyed by fire and while working to save some of its contents, he became so overheated that an attack of brain fever was thus brought on and resulted in his demise.

Dear Mrs. Green,

Yes, I am familiar with your Claytons. Mary Elizabeth Clayton was the daughter of Reuben Clayton and Elizabeth Lowe. Reuben Clayton was b. Mar. 31, 1798 in Va. and died May 21, 1879 in Shelby Co, Ohio. Reuben Clayton was the son of William H. Clayton and Margaret FitzRandolph. William Clayton lived in Greene Co, Ohio. William Clayton was the son of Thomas Clayton Sr. (in those days the name was often spelled Claton). Thomas Clayton Sr. was born in Manchester, England. He came to the United States and moved to Greene Co, Ohio where he died in Jan. 1813.

Elizabeth Lowe was the daughter of Jesse and Frances Lowe. He probably came to Ohio from Virginia. The Lowes lived in Clark and Greene Co, Ohio. Jesse Lowe died in 1824

Mary Elizabeth Clayton was the last child of Reuben Clayton and Elizabeth Lowe (they had at least 10 children). Elizabeth died sometime in the 1840's, leaving Reuben a widower. On June 1, 1851 Reuben married a second wife Hannah Albright Lemasters and Hannah raised the last of Reuben's children, including Mary Elizabeth. Hannah was born July 20, 1810 in Pa. and died Sep. 22, 1872 in Shelby Co, Ohio. Her first husband was Lemuel Q. Lemasters b. 1811-1812 in Mason Co, Va., d. about June 1843 in Shelby Co, Ohio.

Well, this gets you back a couple of more generations on your husband's family. In exchange for this I am wondering if you would do something for me. I would like to have you read the 1840 census of Clark Co, Indiana at the Fort Wayne Library to see if you can find a Pleasant or Thomas Leamater or Leamster or Lemaster. They are not listed in the 1840 Indiana Census Index but the index is not very good and I am pretty sure they are there. Thanks for your help.

Sincerely,
Ralph D. Smith

Dear Mrs. Green

Saw your query in the recent issue of "Fallen Timbers" looking for Claytons.

I have information scattered about my files on the family of Thomas Clayton Sr. (England to Greene Co., Ohio). This family later lived Clark Co, Ohio, Shelby Co, Ohio, Shelby Co, Ind., Bureau Co, Ill. Thomas Clayton Sr. died 1813.

If this is your family and you don't have information on it, I'd be glad to pull all my Clayton materials together + work them up for you. However I would need to charge you something for the effort involved.

Good luck in your research.

Sincerely,

Ralph D. Smith

P.S. If you have been corresponding with Bernice Clayton you will already have much of what I do.

Hello;

Your inquiry to the Methodist Church at Maplewood, Ohio has reached my desk and I will answer your letter. My name is Bernard Clinehens and am a native of this area and also do genealogy research. I also married a Clayton so I am familiar with the names that you have mentioned. I am also compiling information on the Clayton name and of course Stewart and Valentine enter in to the picture. I was thinking that Rosa Valentine's daughter had married a Green but when I looked at the obituary of Rosa it stated Nellie had married a McDonald.

However, I do have extensive data on the families you are researching with the exception of the name Green.

On the Clayton name my first entry is a Thomas Claton (Clayton) born in 1748. I am not sure in just what and how much information you are seeking but am more than willing to share my info with you.

Ft. Wayne is about an hour and half drive here and wondered if you wanted to come here so see what info I do have.

I am hoping to eventually get my material on a computer but as yet have not done that. I would offer to copy the material for you but I am a full time dairy farmer and my spare time is somewhat limited.

The Church records are very sketchy and I doubt if they would be of much help to you.

I shall wait for your reply before proceeding further.

Sorry to be so slow in answereing your letter.

Sincerely,

Bernard

YOUR FAMILY TREE

WHERE DO YOU BEGIN? Begin with yourself. Always proceed from the present to the past. Record your name, place and date of birth, marriage and residence. Now search out and record the same information about your parents, then your grandparents, and so on through as many generations as possible.

Start gathering your information by interviewing older living members of your family. Genealogical publications can be helpful. You may find someone else doing research on the same family or in the same area as yours. The library will have some of the following sources: family genealogies, municipal and county histories, census records, directories, biographies and military records.

OTHER PLACES TO LOOK: Vital records--birth certificates, marriage records, death certificates. Probate records--wills, letters of administration, executor and administrator bonds, inventories and appraisals, adoption proceedings, change of names, secret marriages. Land records--deeds, mortgages, leases, recorded wills, power of attorney, maps and plats. Civil records--partition of property, divorces, foreclosures. Miscellaneous records--voter registration, tax and assessment rolls, naturalization records. Federal records--censuses, military records, passenger lists, passport records, immigration records, homestead applications, pension applications. Church records--membership rolls, baptisms, marriages, burial and cemetery records. School and college records--rosters and rolls. Family records--family bible, old family documents, diaries, letters, signed photographs, engraved jewelery, newspaper clippings, wills, lodge records, insurance papers, social security papers, employment records.

(Robert Isham Randolph: "The Randolphs of Virginia," p. 78. Family records.)

(The Keith Line)

Keith is a surname of local derivation from residence "of Keith," a name given for several parishes and places in Scotland. It is also the name of an estate in the parish of Humble, County Haddington, Scotland.

(C. W. Bardsley: "Dictionary of English and Welsh Surnames.")

(Family in Scotland)

The Keiths of Fauquier County, Virginia, are descendants of an ancient Scottish Clan.

(I) **Sir William Keith**, third Earl Marischal of Scotland, married Elizabeth Gordon, daughter of Alexander, Earl of Huntley, and his wife Annabella Stuart. Their fourth child was:

Alexander, of whom further.

(S. P. Hardy: "Colonial Families of the Southern States of America," p. 311.)

(II) **Alexander Keith**, "of Pittendrum," Scotland, son of Sir William and Elizabeth (Gordon) Keith, married, but the name of his wife is not known. Children:

1. John, "of Pittendrum," married his cousin, Barbara Keith.
   Among their children was:
   i. Alexander, who inherited the "Pittendrum" estate, which he sold in 1626; and married, in 1628, Elizabeth Douglas.
      They were the parents of:
      a. Alexander.
      b. Right Reverend Robert, distinguished bishop of Scotland and historian.
      c. William, whose descendants are not traced.
2. Robert, of whom further.

(*Ibid.*)

(*Ibid.*)

(Family in America)

(I) Reverend James Keith, son of Robert Keith, was born in Scotland, and died in Virginia between 1758 and 1760. In 1715, he left Scotland after espousing the cause of the pretender, but later returned to England for ordination. He was located in Henrico County, Virginia, for a time, but finally settled in Fauquier County, where he served as rector of Hamilton parish from 1723 until his death. He was reputed to have been a nephew of Bishop Robert Keith of Scotland, but according to the above record, he was a cousin, and was undoubtedly a relative of George Keith.

Reverend James Keith married, in 1746, Mary Randolph. (Randolph III.)

Among their issue was:

1. Thomas, of whom further.

(*Ibid.*, pp. 311-12. Robert Isham Randolph: "The Randolphs of Virginia," p. 77.)

(II) Captain Thomas Keith, son of Reverend James and Mary (Randolph) Keith, was of Fauquier County, Virginia, and served with distinction in the Revolutionary War. He was a staunch and liberal supporter of the Episcopal Church.

He married, in 1774, Judith Blackwell, daughter of Lieut. Joseph (1) and Lucy (Steptoe) Blackwell. (Blackwell II.)

One of their nine children was:

1. Isham (1), of whom further.

(*Ibid.*, pp. 60, 313.)

(III) Isham (1) Keith, son of Captain Thomas and Judith (Blackwell) Keith, was born in Virginia in the 1790s, and died April 25, 1887. He was a prominent and influential citizen.

Isham (1) Keith married in Virginia, in 1822, Juliet Chilton, who was born June 28, 1800, daughter of Joseph and Ann (Smith) Chilton, of Fauquier County, Virginia.

They had two sons, one being:

1. Isham (2), of whom further.

(*Ibid.*, p. 314.)

(IV) Isham (2) Keith, son of Isham (1) and Juliet (Chilton) Keith, was

born in Fauquier County, Virginia. He was graduated from the University of Virginia, and served with distinction in the Black Horse Cavalry in the War Between the States.

Isham (2) Keith married, in 1854, Sarah Agnes Blackwell. (Blackwell V.)

Their fourth child was:

1. Margaret, of whom further.

(*Ibid.* Robert Isham Randolph: "The Randolphs of Virginia," p. 78. Family records.)

(V) Margaret Keith, daughter of Isham (2) and Sarah Agnes (Blackwell) Keith, was born September 7, 1861 at Warrenton, Virginia, and died there April 28, 1935.

She married Robert William Neilson. (Neilson III.)

He married Rachel Burton, born about 1764, daughter of William (2) Burton, who died in 1795, by his wife Rachel. A son of John and Rachel (Burton) Burton was:

1. Robert, of whom further.

(VI) Robert Burton, son of John and Rachel (Burton) Burton, was born in Delaware, November 1, 1784, and died December 29, 1854. He was a merchant and ship owner of Philadelphia.

He married Eliza Elliot Hutton, daughter of Benjamin and Rebecca (Plumsted) Hutton. (Plumsted V.)

They had a daughter:

1. Emily Adelaide, of whom further.

(Eugene Devereux: "Chronicles of the Plumsted Family," pp. 70, 72.)

(VII) Emily Adelaide Burton, daughter of Robert and Eliza Elliot (Hutton) Burton, married Robert (2) Neilson. (Neilson II.)

(The Blackwell Line)

The Virginia Blackwells are descended from an ancient English family, members of "The Merchant Taylors Company, London, licensed by Edward I, as The License Armourers." According to tradition, three brothers, graduates of Oxford, emigrated to the American colonies early in the seventeenth century. The progenitor of the Virginia family, whose record follows, was said to be the eldest of the three.

(S. P. Hardy: "Colonial Families of the Southern States," p. 49.)

(I) Hon. Samuel Blackwell, progenitor of the family in Virginia, was born in 1680, and died in 1732. He lived at "Walnut Lodge," Northumberland County, Virginia.

He married Margery (Downing) Hudnall, a widow, daughter of Hon. William Downing, of Northumberland County.

They had a son:

1. Joseph (1), of whom further.

(*Ibid.*, p. 50.)

States of America," Vol. V, p. 426. S. P. Hardy: "Colonial Families of the Southern States of America," p. 311-12.)

(II) Thomas Randolph, son of William and Mary (Isham) Randolph, was born at Turkey Island, Virginia, in 1683, and died in 1729. He was of "Tuckahoe," Henrico County, Virginia, and prominent in the affairs of the county.

Thomas Randolph married, October 16, 1712, Judith Fleming, daughter of Charles Fleming.

Among their children was a daughter:

1. Mary, of whom further.

(Robert Isham Randolph: "The Randolphs of Virginia," p. 51. S. P. Hardy: "Colonial Families of the Southern States of America," pp. 311-12.)

(III) Mary Randolph, daughter of Thomas and Judith (Fleming) Randolph, was born in 1726.

She married, Reverend James Keith. (Keith—Family in America—I.)

(Robert Isham Randolph: "The Randolphs of Virginia," p. 77. S. P. Hardy: "Colonial Families of the Southern States of America," pp. 311-12.)

(The Wood Line)

Wood is a surname of local derivation from residence at or near a wood. It appears in the early records of the Domesday Book as De Silva, in Suffolk, England, from the Latin "silva," a wood or forest. The name is variously recorded in the Hundred Rolls of 1273 throughout English counties as de la Wode, le Wode and Atte or Ate Wode.

(M. A. Lower: "Patronymica Britannica.")

(I) James (1) Wood, first of the line of whom there is record, was born in 1706 in Dublin, Ireland, of English parentage, died November 3, 1760 in Montgomery County, Pennsylvania, and is buried in the graveyard of the Plymouth Meeting House. He was a linen manufacturer in Dublin, owning his own works. At that time the employment of labor was apparently not approved by the Society of Friends, of which he was a member, and he was "corrected," or reproved, by the Dublin Yearly Meeting for employing others to assist him. He came to America about 1725, and in 1732 settled in Pennsylvania, between the villages of Kloat or Kloot and Blue Bell. He attended the Plymouth Meeting of the Friends' Society.

James (1) Wood married, in 1732, Katharine or Katherine Dawes, daughter of Abraham and Margaret Dawes, of Montgomery County, Pennsylvania.

They had a son:

1. John, of whom further.

(Family records.)

(II) John Wood, son of James (1) and Katharine or Katherine (Dawes) Wood, was born January 25, 1747 and died in 1836.

Dear Jeanne,

I have gone over your notes and am returning them to you. On some of the pages I have jotted some questions. Thank you very much for all the time you have spent. There is no need for you to type the information for me.

I am including a copy of the title bond which lists Joseph Keith's older children. John H. Keith's biographical sketch must have listed only those who were living at the time.

By the way, could you tell me the name of the book the above mentioned sketch was copied? (Personal Histories, Auglaize Township, page 30)

At this point I still don't know if I have a complete list of William Keith's children. Since his will states that he gave $100 to his son, William Keith, in lieu of eighty acres of land to make William equal with the rest of his heirs - it seemed reasonable to suppose that I would find deeds for 80 acres from William and Sarah to each of their children except William, Jr.

I did find deeds to James S. Keith, John M. Keith, Wm. M. & Hannah Valentine, and several deeds back and forth between William & Sarah Keith and John & Mary Hullebarger. Since I could not check them in person, but had to rely on the County Recorder to check the indexes for me, I am not certain that I got them all.

Specifically, I am wondering if Zachariah Keith was William and Sarah's son. At first I thought he might be a nephew, son of William's brother Zachariah, but since then I have corresponded with a descendant of Zachariah who lists his children and there is not a Zachariah among them.

I am also wondering how the Samuel Bodle family fits in.

It does seem strange that William and Sarah's graves were not marked. I do realize that old tombstones become so eroded that they are difficult to decipher. I've had a lot of experience, spending many hours recording cemeteries in this area. We have also gone back to recheck the cemetery records before they are published and have found that stones were missed and also some very serious errors. Some of the people who originally recorded the stones did not have the expertise to decipher them. It is something that comes with experience.

You mentioned in one or two letters that you planned to go to the cemeteries where you thought they might be buried to check them yourself. They would, I assume, be cemeteries in or near sections 8 & 9, Auglaize Twp. I guess this would be the Hullebarger Cemetery, as you mentioned in a letter. Possibly also Ridge Cemetery because I think it was located on land originally owned by Wiulliam Keith.

I'm out of space so better close now. Thank you again.

Sincerely
Lorraine Keith

A few years ago Naomi Keith Sexton sent me some information on the Joseph Keith family of Allen County, Ohio. It was compiled by Ada G. (Mrs. Harry O.) Keith of Mt. Morris, Michigan. I don't think this information is accurate. I mention this because her information may be in your library.

I am primarily interested in learning more about William Keith, Sr. and his wife, Sarah (COONS?), especially dates of their birth and death. Also, I need any information that would definitely prove the relationship between William Keith, Sr. of Allen County and William Keith, Jr. of Licking County.

Information about the other descendants will help me complete their family groups, so anything you send me will be of interest.

I did check the 1840 and 1850 Census of Allen County and marriage records but may have missed something.

Zachariah Keith of Allen County may have been the nephew of William Keith, Sr. William did have a brother named Zachariah. He may have also lived in Allen County. (I later found that he didn't - Oct 4, 1987)

Sincerely,

Lorraine A. Keith

P.S. I may have made errors when I compiled the family group records. You may find information which conflicts with my data. I'll be interested to learn of it.

Sirs:

I see that the Allen County Chapter, OGS has the same address. I had written to them in August but have never received a reply. As genealogists they must know how disappointing it is not to receive an answer to a letter. I did not think my request was unreasonable.

William Keith was a resident of Auglaize Twp., Allen County from 1837 until his death about 1844. He was born about 1770, probably in Pennsylv. His wife's name was Sarah. I have a copy of William Keith's will and probate.

I don't have their exact dates of birth or death and was hoping that there might be copies of cemetery records or tombstone inscriptions available for cemeteries where Auglaize residents may have been buried.

Please let me know your charge for research.

Sincerely,

Lorraine Keith

Dear Mrs. Keith;

To begin, may I offer my apoligies for the lack of an answer from the Genealogical Society. I have no answers for you. However, I do most of the research that comes through our Historical Society and will be happy to do everything I can for you.

To begin, I did a quick search of our records today in the library, and although I found a brief sketch of the Will of William Keith, and a great many notes regarding his descendants, I have not yet found his actual burial place. His descendants are scattered through all of the Auglaize Twp cemeteries.

You letter does not indicate whether you need just that one cemetery record, or if you want help with your family research. If you want a complete research , I hharge a flat fee of $30.00 to research all of our library records, then go to the courthouse and research all records there, type everything up according to family as far as possible, and send all of my findings to you. Should you wish my assistance, please let me know.

In the meantime, I would like to take the weekend to put the notes that I found today in some kind of order before mailing them to you. Some of them, relate directly to the heirs mentioned in Williams Will (for instance I found the entire family of Mary and John Hullinberger all in one cemetery). Others, I feel quite surely must be his children, or children of his brothers and sisters. So when I send them, would like to think that they were organized enough that you will understand what you are getting.

Also, I am going to be on vacation the first two weeks of December, in Florida. If you wish me to do a complete research, I would like to hear back from you right away, so that I make the trip to the courthouse, and read all of the census before I leave. Then, will take the file with me and put it together while I am there. I know that sounds wierd, but my husband and I love to sit in the sun, and I always take two or three files with me to organize - gives me something to do.

Either way, these notes will be on their way to you the first of the week. Also, before I send them, since I also answer mail at the courthouse Probate Court, and will be going there on Monday, I want to look at the rest of the papers in Williams Will file and see if I can find any hints to who all of his children are.

You will hear from me probably by Wednesday, but as I said, if you want a complete research, please let me know right away, and you would make your check payable to me personally, and mail either to the Historical Society, or to my home, 8 Beaumont Place, Lima, Ohio 45805.

There will be no charge for the notes that I am sending along the first of the week.

Sincerely,

Dear Jeanne:

Thank you for the prompt answer to my letter. Please go ahead with the research. I am enclosing a check for $[redacted] and the family records that I have already compiled.

I had been afraid I was mistaken about the connection between William Keith of Allen County and our William Keith of Licking County because I found that there was a William Keith and a William C. Keith both living in Allen County. I thought they were probably father and son, but now I'm quite certain that the younger William C. Keith was William's grandson, a son of William's son, Joseph. A deed gave this relationship.

The Allen County deeds have been very helpful because William Keith stated in his will that he had given each of his children, except William, Jr., 80 acres of land.

That William, Jr. was not deeded land was a problem because I knew there wouldn't be a deed in which "William and Martha (or Julia) Keith of Licking County, Ohio" sold the land which had been deeded to them by William Keith, Sr.

Nevertheless, I decided to have the County Recorder send me all the deeds for William Keith for a certain period of time. (The County Recorder's Office was very cooperative and their charges were reasonable. There were so many deeds that it must have taken them a considerable amount of time to look them up and copy them.)

It was worthwhile because I did find a deed in which William and Martha Keith of Licking County sold their land in Allen County to William Keith of Allen County. This land in section 13 of Auglaize Twp. was Government Land which had been entered by William Keith in 1835. He also entered land in section 12 in 1836. William Keith, Sr. had land entered in 1835 and 1836 in sections 11 and 15. I don't know if William Keith, Jr. ever lived in Allen County.

This land, deeded by William, Jr. to William, Sr., was later deeded by William, Sr. to John M. Keith.

I guess that the fact that William Keith, Jr. of Licking County deeded land to William Keith, Sr. of Allen County, does not prove that they were son and father - but they did acquire land in adjoining sections in the same year - and William Keith, Sr. did mention his son, William Keith, Jr. in his will.

Furthermore, when we visited relatives last summer, I saw the old Keith family photos. Among them was an old photo of a boy. On the back was written "Joseph Miner Hullibarger". This indicates that our Keith family was related to the Hullibarger (Hullenberger) family.

Dear Jeanne,

After I mailed the letter to you, I thought of Elizabeth Keith, William's unmarried sister who apparently also lived in Allen County. I have a copy of her will, but not of any other papers in her probate file. She left land to her niece, Mary (Polly) Hulliberger (or Hullenberger). William must have had the deed to it and John and Mary took him to court to get possession of the land. You may come across this and I wanted to let you know that I already have a copy.

I am sending a copy of Noble Keith's family group record. You may come across some of their names. Zachariah possibly lived in Allen County. There is a Zachariah on the 1840 Census who might be the same person. The other sisters lived in Tennessee, although I'm not certain that Jane Keith Boatright did.

Sincerely,

Lorraine

Dear Mrs. Keith;

I am still piecing together the notes that I found in our library on your Keith family. There is so much of it!

It is very obvious to me that the Keith family came to Allen County from Perry county Ohio. I checked several census reports, and all of the dates, ages and ages of children are correct to be true. I believe at this time that Williams children were Joseph H., James T, Zachariah, John, and Mary Jane. Also Samuel, Sarah H, William C. . At this time, it looks like children of a brother may have come here at the same time he did.

Prior to Williams Will, I find a Will for an Elizabeth Keith written in 1837, in which she names her children; Sarah, Elizabeth Bendel, Hannah Valentine and Mary Hulliberger. These Keith descendants are all entertwined in the census and the cemetery records right along with your William Keith. What I fear at this time, that if William had a stone, it has eroded until it is unreadable, and we may never find it! For even though I find his children scattered through the Auglaize Twp cemeteries, I do not find him, or his wife. In addition, it is also possible, that because of the short length of time that he lived here before his death, that he and Sarah are buried back in Perry County, but that would be rare for the times(1844).

Incidently, the above Elizabeth Keith that I mentioned, has William as her Executor. She also mentions in her will that she has a Title Bond against William for 40 acres of land in Allen County, and that is to go to her daughter Mary Hulliberger and her husband John.

And so, since I have not yet been to the court house, and because your first objective is to find the burial place of William and Sarah, I will continue to organize these facts as to the individual family for a couple of days, get to the courthouse, and see if either of these probates, Williams, or Elizabeths will help me solve your problem. No charge for this.

Dear Jeanne,

Thank you for your letter dated November 26. I hope you received my check and family records.

You mentioned that you found a will for Elizabeth Keith dated in 1837. I assume that it was an abstract and was in error because Elizabeth could not have left property to her daughters. She had no daughters or sons. The reason I know this is as follows:

— Yes I have a copy.

In Allen County Court of Common Pleas, Chancery Record A, page 213, John and Mary Hullenbarger were complainants and William Keith, defendant in a suit to get the deed to the land left to them by Elizabeth Keith. This court record states that "Elizabeth Keith, late of Allen County, Ohio, departed this life sometime in the month of October 1837, that she was an unmarried woman and died without issue." It states that William and Zachariah Keith were her brothers and Mary Hullenbarger, Peggy Hammers, Jane Boatright, and Hannah Hammers were her sisters and heirs at law.

I had previously found the will for Edmon Keith in Fairfield County, Ohio in which he mentions his brothers, William and Zachariah, and his sisters, Elizabeth, Peggy, Jane and Hannah. William, Zachariah, and Elizabeth Keith and Peggy Hammers, Jane Boatright, and Hannah Hammers and their husbands later signed a deed in which the land of Edmon Keith, deceased, was sold. They were again mentioned as his heirs. Mary Hullenbarger is neither mentioned in his will nor signs the deed.

I believe there was a misunderstanding on the part of the clerk who recorded the court proceeding and that Mary was Elizabeth's niece and not her sister. The others mentioned in Elizabeth's will were probably also her nieces. I'm quite sure that Hannah Valentine was a niece. A copy of the will was also included.

The reason I think that Mary Hullenbarger was her niece (and a daughter of William Keith) is that John Hullebarger signed a title bond promising not to sell the eighty acres of land deeded to him and Mary by William Keith while either William Keith or his wife, Sarah were still living, and that William and Sarah would have use of the house and barn as long as either of them lived. This sounds like an agreement between a son-in-law and father-in-law rather than between two brothers-in-law.

Why John and Mary would have to take William to court to obtain the deed to the land left to them by Elizabeth, I suppose we will never know. It may be that Elizabeth never paid William for the land, or it may be that he felt that Mary was getting more than her share and the other nieces and nephews were not being treated fairly.

I'll be interested in the information you find about this family.

Sincerely,
Lorraine Keith

Dear Jeanne,

Thank you for sending your preliminary findings from Tampa. You have already spent a lot of time and I appreciate the information you sent.

I do have a few questions. If you have not come up with the answers, I will understand.

You sent the family group record for John H. Keith, b. ca 1825. Do you know who his father was? It may be James T. Keith.

Is Elizabeth Keith, wife of Samuel Bodle, the daughter of William Keith? If William deeded them 80 acres of land, she probably was his daughter. I don't have that deed, but I may not have gotten them all. Elizabeth married Samuel Bodle on 13 April 1820 in Perry County, Ohio.

allen co

I'm curious about William Keith, b. c 1819, d. Oct. 14, 1846 and buried at Westminster Cemetery, Auglaize County; married to Eliza, who died Oct. 23, 1842. There was a William C. Keith who married Amanda Donnels on 1 Oct. 1844 in Allen County. He died prior to 1850. I see that George Keith, age 7, is living with Joseph Keith in 1850. I wonder if he was William's son and Joseph's grandson. I am quite certain that Joseph was the father of William C. Keith.

James T. and Margaret Keith on the 1850 Census were probably the son and daughter-in-law of Joseph Keith. James signed his name as "James T. Keith, Jr." and his wife "Margaret" on deeds. He shared land with William C., Samuel B., and the other children of Joseph Keith. The three young men had signed a bond with William Keith, Sr. to share the land with theirsisters and the minor heirs of Joseph Keith. So I assume that for some reason, William deeded his son, Joseph's share of land to Joseph's sons rather than to him.

You said that you were trying to learn where William Keith lived so that you could decide which cemeteries would be near. In 1841 I think he was living on the west half of the northwest ¼ of section 9, R 8, T 4. I think this would be Auglaize Twp. William had deeded the land to John Hulliberger with the provision that John would give him 1/3 of the small grain, etc. and that William and Sarah Keith would have the use of the house, barn, and garden free of rent as long as either of them lived. They may even be buried on this land.

I am looking forward to hearing from you again, but I know it is a busy season so I will be patient.

Sincerely,

Lorraine

In our Military information file I find
AARCH VALENTINE age 59 Born Ohio Res Harrod,Ohio
Ent. Serv. Jan 2,1864 Pvt Co F 54 OVI Disc Aug.15,1865
(Evidently this information was taken from a pension record)

I did on an earlier search find an 1860 Census record for ARCHIBOLD VALENTINE age 45 listed in Auglaize Two, with wife and 8 children ranging in age from 20 to 2 (all born Ohio) These are listed on Census that year just by initial and there is an A listed age 16 in 1860. This could be the one who served in Civil War and whose service is listed above. There is also listed a son Wm who was age 13 in 1860.

In 1961 I received correspondence from Mrs. Donna Aidif of 128 Edwin Ave, Flint, Michigan. She was interested in William Valentine born Auglaize Twp, Allen Co, Ohio on Nov. 25, 1847 to Archibald and Margaret (nee) Clum) Valentine. Is this a different William from the one you are seeking.

Dear Sirs:
I am writing in regard to Keith and Valentine Names.
I have been told I may be able to get Cemetery Inscriptions. I understand you have these of all Cemeteries in Allen Co.
I am trying to find where my 3rd. great grandparents were buried + died. William Valentine and his wife, Hannah Keith Valentine. And any other Valentine and Keith inscriptions that you might have. I will appreciate any information you can give me.
Also I would like to know, if you have an inscription or a record of the death ~~and~~ of George Storts who died there in Allen Co. about 1866 of a sun stroke.
Enclosed is a stamped envelope for your reply. If a charge please let me know.

Sincerely,

Dear Mrs. Leech,

Received your nice + informative letter and thank you very much. Maybe I was a little too anxious, but if you have some thing like this you probably would be too.

I had just received a lead on this line and was told to write to the Historical Society there to get the information I needed to further my search.

I certainly appreciate what you have sent me.

This Elizabeth Keith is my 3rd great grandmother. It does not mention the husband and he may have been dead, when they lived there in Allen Co. Does it give the name of a town in which they lived? or a township? Is there a death date for her?

William Keith is a son of Elizabeth. — Hannah Keith Valentine is my 2nd great grandmother who married Wm Valentine. His mother & father were William + Joanne Crane Valentine in Champaign Co. Ohio

Crane Valentine - son of Joanna + William also.

All of the Children I'm looking for are listed now on next page

Jane - Hannah - Esther - Obadiah - Joanna
Crane - Levi - Jonathan - Daniel - William
Mary

Is there any records on any of these

Crane Valentine is son of William + Joanne

Thank you for this marriage record of Mary Harper + Crane Valentine.

In the Ridge Cemetery sentence — what is the full name of the parents? J. H + E

NOT GIVEN

I would like to have the full name

I don't think I have a Clum in mine.

Crane Valentine had a 2nd wife named Nancy Musser

1. Do you have a burial date for Edmond Keith, husband of Elizabeth Keith? or any thing pertaining to him. Maybe he died before coming to Allen Co.?
2. Do you have a birth record for Archibald W. Valentine? NO
3. Do you have a death record of William Valentine married to Hannah Keith. I have their marriage date (Jan 13, 1824, in Perry Co. Ohio
4. Do you have a death date for Esther born 7 apr 1791 1st husband — Edward Jones 2nd " — Jonathan Parker
5. Do you have record of Polly Valentine + Emily Valentine? Who were the parents

My great grandfather was Archibald Washington Valentine b 18 Feb 1825 in Champaign Co. He served in the Civil War and I have his pension record, but it doesn't say anything about him living in Allen Co. He married Mary Ann Thomas in Westville Champaign Co. 11 Sept. 1845. My grandfather William Henry Valentine born 9 Sept. 1846 in Degraff (or that is what I was told.) Maybe he was b in Allen Co. Would you please check birth records? Do you have a record of death of Mary Ann Thomas Valentine 25 July 1865? I'm not sure where she died I got the date from my grandfathers Bible.

I am so anxious to get this information, but I work every day and I cannot get to these places to do my own research, so rely upon the good people in charge to help me.

I am enclosing 2.00 for your help and if this is not enough please let me know. Thank you again. I'm a widow too, raised 3 boys by myself & sent them thru the service too. My youngest now 21 - one 26 - one 30. They were a great blessing to me and I'm really proud of them. Oldest one married last May and they are expecting latter part of June. The middle one was married 4 yrs. ago in Jan. has a little girl 2½ darling and the youngest boy married very young & has a baby boy. All very sweet. I know you will be proud of your little boy too. It is a pleasure to have raised children that are not acting as some are these days of vandalism, riots and all types of rebellion to parents rules. I'm really thankful.

Thanks again for your kind help.

Sincerely,
(Mrs) Dorothy V. Diver

Dear Mrs. Keith;

I am still piecing together the notes that I found in our library on your Keith family. There is so much of it!

It is very obvious to me that the Keith family came to Allen County from Perry county Ohio. I checked several census reports, and all of the dates, ages and ages of children are correct to be true. I believe at this time that Williams children were Joseph H., James T, Zachariah, John, and Mary Jane. Also Samuel, Sarah H, William C. . At this time, it looks like children of a brother may have come here at the same time he did.

Prior to Williams Will, I find a Will for an Elizabeth Keith written in 1837, in which she names her children; Sarah, Elizabeth Bendel, Hannah Valentine and Mary Hulliberger. These Keith descendants are all entertwined in the census and the cemetery records right along with your William Keith. What I fear at this time, that if William had a stone, it has eroded until it is unreadable, and we may never find it! For even though I find his children scattered through the Auglaize Twp cemeteries, I do not find him, or his wife. In addition, it is also possible, that because of the short length of time that he lived here before his death, that he and Sarah are buried back in Perry County, but that would be rare for the times(1844).

Incidently, the above Elizabeth Keith that I mentioned, has William as her Executor. She also mentions in her will that she has a Title Bond against William for 40 acres of land in Allen County, and that is to go to her daughter Mary Hulliberger and her husband John.

And so, since I have not yet been to the court house, and because your first objective is to find the burial place of William and Sarah, I will continue to organize these facts as to the individual family for a couple of days, get to the courthouse, and see if either of these probates, Williams, or Elizabeths will help me solve your problem. No charge for this.

Sincerely,

Jeanne Porreca

Dear Mrs. Keith;

To begin, may I offer my apoligies for the lack of an answer from the Genealogical Society. I have no answers for you. However, I do most of the research that comes through our Historical Society and will be happy to do everything I can for you.

To begin, I did a quick search of our records today in the library, and although I found a brief sketch of the Will of William Keith, and a great many notes regarding his descendants, I have not yet found his actual burial place. His descendants are scattered through all of the Auglaize Twp cemeteries.

You letter does not indicate whether you need just that one cemetery record, or if you want help with your family research. If you want a complete research , I hharge a flat fee of $30.00 to research all of our library records, then go to the courthouse and research all records there, type everything up according to family as far as possible, and send all of my findings to you. Should you wish my assistance, please let me know.

In the meantime, I would like to take the weekend to put the notes that I found today in some kind of order before mailing them to you. Some of them, relate directly to the heirs mentioned in Williams Will (for instance I found the entire family of Mary and John Hullinberger all in one cemetery). Others, I feel quite surely must be his children, or children of his brothers and sisters. So when I send them, would like to think that they were organized enough that you will understand what you are getting.

Also, I am going to be on vacation the first two weeks of December, in Florida. If you wish me to do a complete research, I would like to hear back from you right away, so that I make the trip to the courthouse, and read all of the census before I leave. Then, will take the file with me and put it together while I am there. I know that sounds wierd, but my husband and I love to sit in the sun, and I always take two or three files with me to organize - gives me something to do.

Either way, these notes will be on their way to you the first of the week. Also, before I send them, since I also answer mail at the courthouse Probate Court, and will be going there on Monday, I want to look at the rest of the papers in Williams Will file and see if I can find any hints to who all of his children are.

You will hear from me probably by Wednesday, but as I said, if you want a complete research, please let me know right away, and you would make your check payable to me personally, and mail either to the Historical Society, or to my home, 8 Beaumont Place, Lima, Ohio 45805.

There will be no charge for the notes that I am sending along the first of the week.

Sincerely,

Jeanne Porreca

Sirs:

I see that the Allen County Chapter, OGS has the same address. I had written to them in August but have never received a reply. As genealogists they must know how disappointing it is not to receive an answer to a letter. I did not think my request was unreasonable.

William Keith was a resident of Auglaize Twp., Allen County from 1837 until his death about 1844. He was born about 1770, probably in Pennsylv. His wife's name was Sarah. I have a copy of William Keith's will and probate.

I don't have their exact dates of birth or death and was hoping that there might be copies of cemetery records or tombstone inscriptions available for cemeteries where Auglaize residents may have been buried.

Please let me know your charge for research.

Sincerely,

Lorraine Keith

Dear Jeanne,

I have gone over your notes and am returning them to you. On some of the pages I have jotted some questions. Thank you very much for all the time you have spent. There is no need for you to type the information for me.

I am including a copy of the title bond which lists Joseph Keith's older children. John H. Keith's biographical sketch must have listed only those who were living at the time.

By the way, could you tell me the name of the book the above mentioned sketch was copied? (Personal Histories, Auglaize Township, page 30)

At this point I still don't know if I have a complete list of William Keith's children. Since his will states that he gave $100 to his son, William Keith, in lieu of eighty acres of land to make William equal with the rest of his heirs - it seemed reasonable to suppose that I would find deeds for 80 acres from William and Sarah to each of their children except William, Jr.

I did find deeds to James S. Keith, John M. Keith, Wm. M. & Hannah Valentine, and several deeds back and forth between William & Sarah Keith and John & Mary Hullebarger. Since I could not check them in person, but had to rely on the County Recorder to check the indexes for me, I am not certain that I got them all.

Specifically, I am wondering if Zachariah Keith was William and Sarah's son. At first I thought he might be a nephew, son of William's brother Zachariah, but since then I have corresponded with a descendant of Zachariah who lists his children and there is not a Zachariah among them.

I am also wondering how the Samuel Bodle family fits in.

they are

It does seem strange that William and Sarah's graves were not marked. I do realize that old tombstones become so eroded that they are difficult to decipher. I've had a lot of experience, spending many hours recording cemeteries in this area. We have also gone back to recheck the cemetery records before they are published and have found that stones were missed and also some very serious errors. Some of the people who originally recorded the stones did not have the expertise to decipher them. It is something that comes with experience.

You mentioned in one or two letters that you planned to go to the cemeteries where you thought they might be buried to check them yourself. They would, I assume, be cemeteries in or near sections 8 & 9, Auglaize Twp. I guess this would be the Hullebarger Cemetery, as you mentioned in a letter. Possibly also Ridge Cemetery because I think it was located on land originally owned by Wiulliam Keith.

I'm out of space so better close now. Thank you again.

Sincerely
Lorraine Keith

Dear Jeanne,

Thank you for your letter dated November 26. I hope you received my check and family records.

You mentioned that you found a will for Elizabeth Keith dated in 1837. I assume that it was an abstract and was in error because Elizabeth could not have left property to her daughters. She had no daughters or sons. The reason I know this is as follows:

In Allen County Court of Common Pleas, Chancery Record A, page 213, John and Mary Hullenbarger were complainants and William Keith, defendant in a suit to get the deed to the land left to them by Elizabeth Keith. This court record states that "Elizabeth Keith, late of Allen County, Ohio, departed this life sometime in the month of October 1837, that she was an unmarried woman and died without issue." It states that William and Zachariah Keith were her brothers and Mary Hullenbarger, Peggy Hammers, Jane Boatright, and Hannah Hammers were her sisters and heirs at law.

I had previously found the will for Edmon Keith in Fairfield County, Ohio in which he mentions his brothers, William and Zachariah, and his sisters, Elizabeth, Peggy, Jane and Hannah. William, Zachariah, and Elizabeth Keith and Peggy Hammers, Jane Boatright, and Hannah Hammers and their husbands later signed a deed in which the land of Edmon Keith, deceased, was sold. They were again mentioned as his heirs. Mary Hullenbarger is neither mentioned in his will nor signs the deed.

I believe there was a misunderstanding on the part of the clerk who recorded the court proceeding and that Mary was Elizabeth's niece and not her sister. The others mentioned in Elizabeth's will were probably also her nieces. I'm quite sure that Hannah Valentine was a niece. A copy of the will was also included.

The reason I think that Mary Hullenbarger was her niece (and a daughter of William Keith) is that John Hullebarger signed a title bond promising not to sell the eighty acres of land deeded to him and Mary by William Keith while either William Keith or his wife, Sarah were still living, and that William and Sarah would have use of the house and barn as long as either of them lived. This sounds like an agreement between a son-in-law and father-in-law rather than between two brothers-in-law.

Why John and Mary would have to take William to court to obtain the deed to the land left to them by Elizabeth, I suppose we will never know. It may be that Elizabeth never paid William for the land, or it may be that he felt that Mary was getting more than her share and the other nieces and nephews were not being treated fairly.

I'll be interested in the information you find about this family.

Sincerely,
Lorraine Keith

Dear Jeanne,

Thank you for sending your preliminary findings from Tampa. You have already spent a lot of time and I appreciate the information you sent.

I do have a few questions. If you have not come up with the answers, I will understand.

You sent the family group record for John H. Keith, b. ca 1825. Do you know who his father was? It may be James T. Keith.

Is Elizabeth Keith, wife of Samuel Bodle, the daughter of William Keith? If William deeded them 80 acres of land, she probably was his daughter. I don't have that deed, but I may not have gotten them all. Elizabeth married Samuel Bodle on 13 April 1820 in Perry County, Ohio.

I'm curious about William Keith, b. c 1819, d. Oct. 14, 1846 and buried at Westminster Cemetery, Auglaize County; married to Eliza, who died Oct. 23, 1842. There was a William C. Keith who married Amanda Donnels on 1 Oct. 1844 in Allen County. He died prior to 1850. I see that George Keith, age 7, is living with Joseph Keith in 1850. I wonder if he was William's son and Joseph's grandson. I am quite certain that Joseph was the father of William C. Keith.

James T. and Margaret Keith on the 1850 Census were probably the son and daughter-in-law of Joseph Keith. James signed his name as "James T. Keith, Jr." and his wife "Margaret" on deeds. He shared land with William C., Samuel B., and the other children of Joseph Keith. The three young men had signed a bond with William Keith, Sr. to share the land with theirsisters and the minor heirs of Joseph Keith. So I assume that for some reason, William deeded his son, Joseph's share of land to Joseph's sons rather than to him.

This would be Hullinger Cem -

You said that you were trying to learn where William Keith lived so that you could decide which cemeteries would be near. In 1841 I think he was living on the west half of the northwest ¼ of section 9, R 8, T 4. I think this would be Auglaize Twp. William had deeded the land to John Hulliberger with the provision that John would give him 1/3 of the small grain, etc. and that William and Sarah Keith would have the use of the house, barn, and garden free of rent as long as either of them lived. They may even be buried on this land.

I am looking forward to hearing from you again, but I know it is a busy season so I will be patient.

Sincerely,

Lorraine

A few years ago Naomi Keith Sexton sent me some information on the Joseph Keith family of Allen County, Ohio. It was compiled by Ada G. (Mrs. Harry O.) Keith of Mt. Morris, Michigan. I don't think this information is accurate. I mention this because her information may be in your library.

I am primarily interested in learning more about William Keith, Sr. and his wife, Sarah (COONS?), especially dates of their birth and death. Also, I need any information that would definitely prove the relationship between William Keith, Sr. of Allen County and William Keith, Jr. of Licking County.

Information about the other descendants will help me complete their family groups, so anything you send me will be of interest.

I did check the 1840 and 1850 Census of Allen County and marriage records but may have missed something.

Zachariah Keith of Allen County may have been the nephew of William Keith, Sr. William did have a brother named Zachariah. He may have also lived in Allen County.

(I later found that he didn't - Oct 4, 1987)

Sincerely,

Lorraine A. Keith

P.S. I may have made errors when I compiled the family group records. You may find information which conflicts with my data! I'll be interested to learn of it.

Dear, Mrs. Smith:

Thank you so much for the good information you sent me recently concerning my family. The ~~d~~ data helped me fill many missing gaps in my genealogical records. The letter from Crain Valentine was a real "find": I plan to write to the Breece relatives to see if they will copy the original for me.

The Joseph mentioned in the letter was probably Joseph Crane V. my great-g-pa.

I'm not sure who Mary was: possibly an older daughter - I don't know much about her - who she m'd, etc.

Enclosed is a check for $6.00 to cover expenses already incurred and for further copy expense. please let me know if you need more.

You mentioned that you have several pages of information on Harper family. I would be interested in all you can send me on following:

EXPANSION AND GROWTH

In Bellefontaine — Logan County Area

A STORY OF BELLEFONTAINE AND LOGAN COUNTY OHIO'S HUB OF INDUSTRY, RESEARCH, AND RECREATION

Compiled by the Greater Logan County Area Chamber of Commerce 100 S. Main, 599-5121

"As the hub of Honda of America, The Transportation Research Center, and a large recreation area, Bellefontaine draws visitors from all over the world. Yet our population strikes a balance between urban and rural residents. Serving such diversified interests is a challenge, but the Greater Logan County Area Chamber of Commerce has been both sensitive to the needs of our community and responsive to the demands of tourism, agriculture, retail establishments, and industry.

At an elevation of 1549 feet Bellefontaine, Ohio's highest city, also stands at the hub of Logan County. Our city serves as a center of business and industry for the cluster of villages that surround our community."

A LOOK INTO HISTORY

Previous to the War of 1812, the territory was inhabited by the Shawnee, Seneca and several other tribes of Indians. They located their villages along Mad River between what are now the thriving villages of West Liberty and Zanesfield. Just four miles south of what later became Bellefontaine was Mckeestown, a trading station. Reedstown and Blue Jacketstown were in the immediate vicinity of what is now Bellefontaine. Zanestown (now Zanesfield) was a Wyandots' village. It was there Issac Zane married an Indian squaw and later (1786) General Benjamin Logan and his Kentuckians destroyed these villages.

During the War of 1812, the settlements in Logan County were on the verge of the white man's civilization and the original squatters were soon replaced by a more substantial pioneer element.

The county received its name from General Benjamin Logan and was officially and legally created by the Legislature in 1818. Two years later Bellefontaine was made the permanent county seat.

In 1822 a Court House was ordered to be built at a cost of $1,294. It was used as such until 1832 when a new and larger county seat building was erected. The old one became a hotel called "Union House".

It was not until 1870 that the present imposing Court House, its walls of cut stone, was constructed. Its 125 foot high tower containing a clock with faces to the North, East, West and South, was erected at a cost of $10,598.08. The wrought and cast iron work alone cost $23,000, within $5,168.80 of the total cost of all the masonry work.

On "Court House Square", in the center of the city, it replaced the 1832 structure and its high first-floor ceilings have made it possible for several of the now crowded offices to accommodate mezzanines for additional work space.

Besides its rich, historical background of growth, Bellefontaine is noted for having the first concrete street in America.

George Bartholomew came to Bellefontaine in 1886. Just north of the town he found large marl pits of almost pure calcium carbonate underlaid by blue clay containing silica. He worked secretly with this material until he found a wet method of making what is now called Portland Cement.

He convinced the town council it would make good road paving material, and was given a contract for paving the four streets that surround the then almost new court house.

The paving involved 1,200 feet of 40 foot pavement at a cost of $9,000. Mr. Bartholomew also guaranteed the street would last for five years. He signed a $5,000 note to cover this guarantee to the city. In 1893, engineers from all over the world visited Bellefontaine to study the first concrete street that took America out of the mud and dust. It has lasted for more than 75 years.

Bellefontaine also lays claim to the shortest street in the world. McKinley Street is only 30 feet long. It joins two streets which come in at about 45 degree angles.

Dear Buster & Lucy,

Before I forget -

Sylvia Shaw
932 DOERING ST.
SIDNEY, O 45365

Sylvia is the widow of a cousin Jim Shaw - this is on dad's side - Jim & Dick were Aunt Lulu (Green) and Uncle Laun (sp.) sons -

Anyway Sylvia has been putting flowers in the urns for Uncle Lester & dad on Memorial day - which this

Year is being celebrated early.

We send $\$25^{\underline{00}}$ — I just wrote on ck. its for cemetary flowers.

Kate and Mil used to take turns when she (Mil) died — Jack & I started taking a turn with Kate —

We'll have to all go down to Mother's grave when Jack comes — I guess I never worried about her grave because I took her flowers almost every week while she was alive — that's what she said she wanted —

Good to talk to you — life will slow down one of these days — we'll play golf — You'll have to give me strokes — I'm older!

Love you
Beth
